DEWAN OF MYSORE

Bangalore,

30th June 1918.

My dear Mirza,

As desired by you, I enclose herewith the notes of the - - views of Mr. Venkatakrishnayya elicited at my interview with him on the 26th instant. I cannot vouch for any of the statements made.

I think, with a little advice to both sides, the agitation could be stopped. I can talk to both parties and end the trouble if I have His Highness' authority informally to do so. Mr. Reddy will - also behave well if advised.

Of course, I can take no action in the matter unless specially authorised.

Yours sincerely,
M. Visvesvaraya

Rt. Hon'ble
